I submit that the maistry was retained in service on 4.3.1945 when I was not in service at all under the Local Administration Dept., Hence I regret to state I am not able to recollect the circumstances which necessitated the retention in service of the Public Health Peon. Perhaps the reason may be the non-availability of men at low wages as a large number of men were absorbed on high wages at the Silk Industries, therefore, the condonation required may kindly be recommended.

With reference to the above, I submit that I took charge of the Office of Panchayat Board, Kallagal as its Executive Officer on 21-1-1949. As I was directly posted as Executive Officer, I was quite new to the department and to the nature of work. The Officer also did not bring the above matter to my notice.

As the man, Sri. Nandurao, was quite hale and healthy and the Office failed to bring to my notice about the question of the said person, I submit, that there was no scope to me even to think of such things and hence this could not be considered during my stay at Kallagal.
